

STAR SEWER & WATER DISTRICT FLOW METER AGREEMENT

FIRE HYDRANT METER RENTAL APPLICATION AGREEMENT

On this the ____ day of _____ 20__ this agreement between
STAR SEWER & WATER DISTRICT (SSWD) and _____ (Renter) is entered into for the
following fire hydrant meter:

Current Meter Reading: _____

Meter Serial Number _____

Whereas, Renter desires that the referenced fire hydrant meter be made available for the sole
purpose of obtaining water service from available STAR SEWER & WATER DISTRICT fire hydrants.
In consideration of the mutual agreement and promises contained herein, Renter agrees as follows:

Initial each line item below.

1. The Renter shall be responsible for said meter and damages thereto, considering normal use. Upon completion of the work, or as otherwise provided in this Agreement, the Renter shall promptly notify and return the hydrant meter to the District in good condition, ordinary wear and tear excepted.
 2. The Renter shall be responsible for payment of all fees accumulated, including but not limited to the Deposit fee, until the meter is returned to the District office and rental agreement terminated.
 3. If the meter is lost, stolen, or otherwise not returned, the Renter shall be responsible for the cost of the lost/stolen equipment deposit will be lost.
 4. Long-Term Fire Hydrant Meter Renters must return the meter within 365 calendar days from the date it is rented for calibration and auditing measures.
 5. The Renter agrees that the rates and fees in effect at the time of meter return shall be used to calculate amount due from water consumption.
 6. A deposit of \$1000.00 is required at the time of rental. Deposit will be held until the meter is returned in good working condition.
 7. Renters shall be charged a usage fee of \$2.50 per 1,000 gallons of water within the district. Or 10.00 per 1,000 gallons of water outside of the district
- Upon return, all applicable rates and fees will be calculated and deducted from the deposit. if usage is over the amount of deposit, you will be invoiced and total due upon receipt. If the total is less than the deposit refund will be issued within 30 days.
8. A licensed Renter shall provide the License# and Expiration Date:
 9. Meters may be rented only for the duration of the work. If the project for which the meter was rented takes more than a year, the Renter shall return the meter to the District at the end of each year. If the Renter has complied with all the requirements of this agreement, a new meter may be rented upon payment of all applicable fees.
 10. Improper operation of fire hydrants can cause severe damage to the District's water system and surrounding property. By renting and using a hydrant meter, the Renter agrees to fully compensate the County and any other party for all damages arising from or related to the Renter's use of the hydrant meter.
